

## Key Investor Information

This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.

# VG SICAV - EUROPEAN EQUITY FUND - R (ISIN: LU0554960723)

A Sub-Fund of VG SICAV, managed by Casa4Funds SA

## • OBJECTIVES AND INVESTMENT POLICY

We aim to provide you with an **increase in your capital** over a medium to long term period.

We invest, directly or indirectly, in **shares of European companies** that are dealt in on a stock exchange.

We take investment decisions on the basis of the **analysis** of companies' balance sheets, profit and loss accounts, and cash flows. This provides us with an **assessment** on the price, quality and future growth of these companies. We then rank them by applying **neural network and genetic mathematics**, and invest in the best companies.

This share class does not distribute any income to you.

**You can buy and sell shares of this class every bank business day in Luxembourg.**

Your **first investment** must amount to **more than 3,000.00 euros**.

**Recommendation:** this Fund may not be appropriate for investors who plan to withdraw their money within 5 years.

## • RISK AND REWARD PROFILE

The above indicator reflects the historical level of risk and reward of this share class over the last 5 years. As it is based on its historical behaviour, **it does not necessarily reflect your future risk, nor reward.**

This share class is classified as above, since it has experienced **moderate movements in its price**. This classification is solely valid as of the date of this document; it can change in the future.

If you invest in a fund in the category "1" above, you may sustain a loss. A fund in this category is not risk-free at all times.

**This fund does not provide you with any guarantee** on performance nor on the value of your investment in it. The latter may consequently go up, as well as down.

The indicator captures the impacts on the Fund of adverse movements in stock markets, **under normal market conditions**.

The **following other risks can be significant** to the Fund:

• The shares in which we invest can be easily sold in normal market conditions. Exceptional circumstances may lead to situations where those can only be sold at a loss for you.

**More details on the risks you may face when investing in this Fund are described in** the "Risk Management Process" and "General Information" sections of the Prospectus, as well as in the "Sub-Funds Details" section thereof.

## • CHARGES

The charges you pay are used to cover the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
<b>Entry charge</b>	5.00%
<b>Exit charge</b>	0.00%
This is the maximum that might be taken out of your money before it is invested or before the proceeds of your investment are paid out.	
Charges taken from the Fund over a year	
<b>Ongoing charges</b>	3.33%
Charges taken from the Fund under certain specific conditions	
<b>Performance fee</b>	20.00%
If the Fund achieves a positive return over a calendar quarter, 20% of the excess return of the Fund compared to the positive return of SX5P index, over the same quarter. In the Fund's last financial year the performance fee charged was 1.43% of the Fund.	

The **entry** and **exit charges** shown are **maximum** figures. In some cases you may pay less - you can find this out from your personal investment adviser or distributor.

The **ongoing charges** figure is based on expenses for the year ending December 2018. This figure may vary from year to year. It excludes:

- Performance fees;
- Portfolio transaction costs, except in the case of an entry/exit charge paid by the Fund when buying or selling units in other funds.

For more information about charges, please refer to the section "Charges and Expenses" of the Fund's Prospectus, which is available at [www.vgsicav.com](http://www.vgsicav.com).

## • PAST PERFORMANCE

Past performance provides **no indication** on future returns.

All fees and expenses, including any performance fee, as included in the price of the Fund, are reflected in the performance shown left, which is calculated in **Euro**. This performance **does not take into account** the above mentioned maximum entry and exit charges, if any.

The Fund was **launched in 2008**.
